

# OHH Series

Make an impression in any situation with  
**our new oval shaped series!**

**NEW**

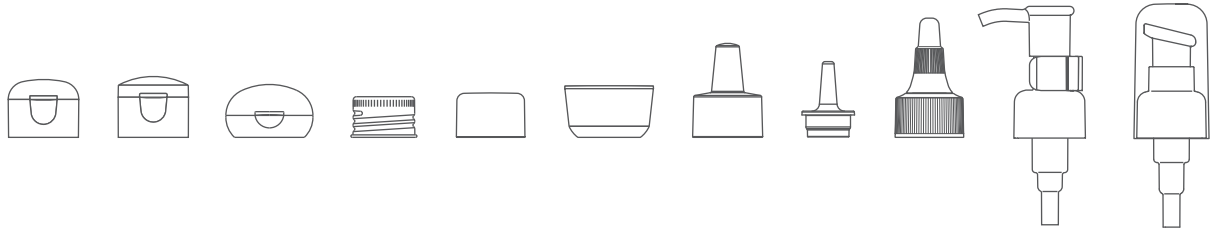

Introducing a new oval bottle series ideal  
for a wide variety of applications and formula.  
The “V” shape has been design to enhance the height of the bottles.

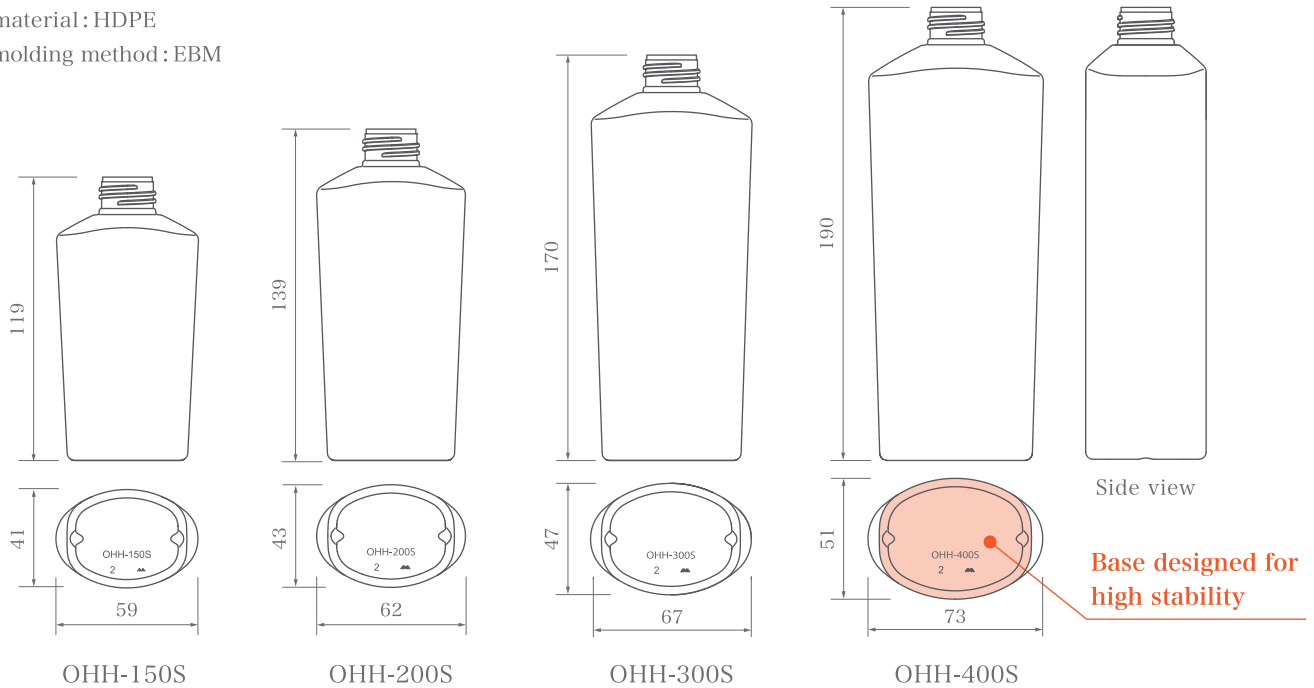

## Wide array of available accessories

The neck finish of this bottle series is compatible with flip-top caps, screw caps, and pumps. It is possible to develop a full line of products according to the formula and intended use while maintaining a consistent design image. The options shown below are a just selection of the options available.

24/410 (P Series) Accessories (not compatible with G-Plugs)

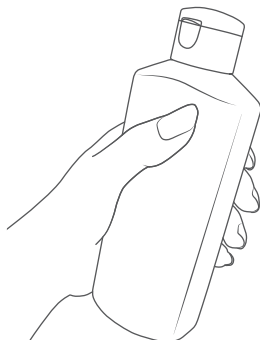

\*material: HDPE  
\*molding method: EBM

## Designed to fit the hand and be easy to squeeze.

The shape sits well in the hand and is easy to hold.

Highly squeezable design is ideal for use with flip-top caps etc.
