

XLS-800PE/1000PE

New Large-Capacity PE Containers with Elegant Forms

Accessories shown (from the left) : PD-3033EVI Pump/PD-33CAP

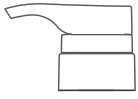

Presenting our new line of large PE containers, perfect for hair care, body care, and various other applications. These containers come in two generous sizes, 800mL and 1000mL, designed to accommodate larger volumes. Featuring a 33 ϕ neck finish, they are compatible with high-dosage 3cc pumps. Their feminine aesthetics make them an ideal choice for salon and spa use.

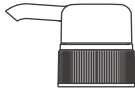

XLS-800PE/1000PE – New Elegant Large-Capacity PE Containers –

We offer barrier-free pumps with raised markings on the top and a version suitable for high viscosity liquids.
